

### **REMARKS/ARGUMENTS**

By the present amendment:

- Claim 1, 27 and 29 are currently amended;
- Claims 26 and 30-32 are cancelled without prejudice or disclaimer;
- Claim 6 is previously amended; and
- Claims 2-5, 7-25 and 28 are original.

### **Claims Rejections – 35 USC § 102**

The examiner has rejected claims 1 and 30-32 under 35 USC 102(b) as being anticipated by Yamane (US 6,005,312); claims 1 and 30-32 under 35 USC 102(b) as being anticipated by Couture *et al.* (US 5,438,228); claims 1 and 30-32 under 35 USC 102(b) as being anticipated by Elris *et al.* (US 4,814,651); and claims 1-5 and 28-32 under 35 USC 102(b) as being anticipated by Nakano (US 6,114,784).

Claim 1 has been amended to include the subject matter of claim 26 to thereby place this claim in condition for allowance. Claims 2-5 and 28 are directly or indirectly dependent onto claim 1 and are therefore allowable.

Claim 29 has been amended to depend onto claim 6 to thereby place this claim in condition for allowance.

To expedite the allowance of the present application, claims 26 and 30-32 have been deleted without prejudice or disclaimer.

### **Allowable Subject Matter**

In the Office action, the Examiner states that claims 6 to 25 are allowed and that claims 26 and 27 are objected to as being dependent upon a rejected base claim.

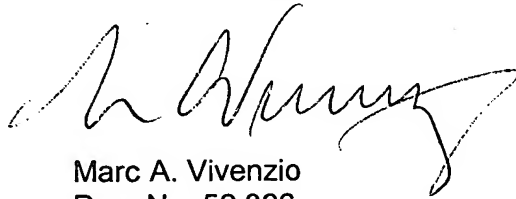

The subject matter of claim 26 has been inserted in claim 1 to thereby place this claim in condition for allowance. The dependency of claim 27 has been amended.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

**Conclusion**

For at least the foregoing reasons, Applicants respectfully submit that the present application is in condition for allowance. Accordingly, a timely notification of allowance is courteously requested. If, for any reason, the Examiner is inclined to further reject any of the claims, Applicants requests that counsel be contacted to resolve any remaining issues. Reconsideration is requested and favorable action is solicited.

Respectfully submitted,
